Thank you for your interest in Friends Junior Committee (FJC) and Children's Healthcare of Atlanta (CHOA)! FJC is a non-profit organization comprised of young professionals committed to donating their time, talents and efforts to benefit the patients and families CHOA. We host multiple events each year and would like to invite you to participate and help us to make a difference in the lives of sick children by supporting our biggest event of the year – *Cheers for Children*.

Last year, *Cheers for Children* was held at the W Hotel Midtown on May 30. The evening featured dinner, live entertainment and a spectacular silent auction and raffle. After the last hors d'oeuvres were served and all the champagne glasses were empty, we are proud to announce the event brought in over \$35,000 in 2015. With your help, we will set new records in 2016!

All proceeds from our events benefit CHOA and help the hospital care for hundreds of thousands of young patients and their families—now and in the future. CHOA is one of the leading pediatric healthcare systems in the country as a not-for-profit organization that benefits from the generous philanthropic and volunteer support of our community. Money raised by FJC for CHOA this year will help to purchase leading-edge equipment, support clinical research efforts and support patient and family support program.

Your donation makes a lasting impact and changes the lives of children and their families!

In addition to serving CHOA, your participation will provide valuable benefits to your business by exposing your brand to Atlanta's emerging leaders. In the past year, FJC more than doubled our membership. With more than 120 dedicated members, we have been able to put on our most successful fundraisers to date. In addition to these major fundraisers, FJC members were busy in 2015 volunteering at Scottish Rite, Egleston, Hughes Spalding and attending monthly networking events while raising money for CHOA through monthly community events.

In the following pages, you can reference our giving levels along with With this information in mind, we would like to ask you to consider becoming a Title Sponsor of *Cheers For Children* for a tax-deductible gift of \$7,500. If you are unable to commit to Title Sponsorship, please consider one of the many other sponsorship levels we offer.

With your support, FJC will continue to raise money for the patients and families of CHOA. Thank you for your consideration and we look forward to collaborating with you to help improve the lives of so many brave children. Please contact us directly with any questions.

Sincerely,
